PLAN REVIEW FEE COMPUTATION SCHEDULE

PAGE 1 0F 3

GENERAL NOTES:

- Money orders, cashier's checks, certified checks, and company checks are accepted. Personal checks accepted must include LA driver's license number on check.
- 2. All fees indicated below include a \$5.00 charge for postage and handling. Postage and handling for Chemical Fire Suppression System Reviews and Sprinkler System Reviews are itemized as indicated in these sections, below.
- Private Projects:
 - A. Private Projects are all projects other that State Owned Projects, Municipal Projects, and 1 & 2 family dwellings. 1 & 2 family dwellings are not reviewed by this office.
 - B. Private Projects, both full reviews and exemption requests, shall require a review fee in accordance with schedules below.
- 4. State Projects:
 - A. State Projects are projects contracted through LA Facility Planning and Control.
 - B. State Projects, both full reviews and exemption requests, are fee exempt except for Project Re-submittals see General Note 7.
- 5. Municipal Projects:
 - A. Municipal Projects include all city, parish, and federal projects.
 - B. Municipal Projects, both full reviews and exemption requests, are charged a flat review fee of \$20, except for Project Re-submittals see General Note 7.
- 6. Appeal Requests:
 - A. Appeal Requests, including all state, municipal, and private work, shall require a review fee in accordance with the "Appeal Requests" schedule below.
 - B. Appeal request fees shall apply to both initial submittal and subsequent appeal submittal(s), if the scope of the subsequent appeal(s) has major revisions.
- 7. Project Re-submittals:
 - A. Private and Municipal Project Re-submittals, both full reviews and exemption requests, resulting from a Not In Compliance review or denied Exemption Request, will be charged a full review fee based on the schedules below. No fee exemptions are allowed for any Private and Municipal Project Re-submittals.
 - B. State Project Re-submittals for full reviews, resulting from a Not In Compliance review, shall be charged a full review fee based on the schedules below, less \$20. State Project Re-submittals for Exemption Requests shall be charged \$20. No fee exemptions are allowed for any State Project Re-submittal Exemption Requests.
 - C. All project Re-submittals, both full reviews and exemption requests, regarding major life-safety revisions that are subsequent to an "appears to comply" status, will be charged a full review fee based on schedules, below.
- 8. Preliminary Plan Reviews:
 - A. Preliminary Plan Reviews are available to Professionals of Record and apply to large scale or complex life/safety projects regarding architectural and fire alarm work scopes.
 - B. Preliminary Plan Reviews shall be charged a full review fee based on the Architectural Plan Review and Fire Alarm schedules, below.
 - C. State owned and municipal projects are not exempt from a full fee, when submitting for a Preliminary Plan Review. All Preliminary Plan Reviews are also based on the "Architectural Plan Review" chart, below.
- 9. Lost Plan Submittals: shall be charged the minimum review fee for
 - A. Lost Plan Submittals apply to all Private, State and Municipal Projects.
 - B. Lost Plan Submittals for Architectural Plan Reviews shall be charged the minimum review fee for the occupancy classification. State and municipal projects are not exempt from a Lost Plan Submittal fee.
 - C. Lost Plan Submittals for all other review types shall be charged the minimum review fee for the associated review type. State and municipal projects are not exempt from a Lost Plan Submittal fee.
- 10. High Rise submittals must be designated on Plan Review Application form in order to accurately determine the plan review fee. Check High Rise box (back of application, at bottom) and indicate number of floors.
- 11. Postage and handling fees do not apply to Exemption Requests and Facsimile Transmissions.
